To book your place or for more information please call
01246 886475

We are starting a new Youth Group session at Hurst Farm in Matlock for our older children aged 11-17 years.

These sessions will be great opportunities to build confidence, enjoy games & activities, as well as make new friendships with the support from the NeuroHub staff.

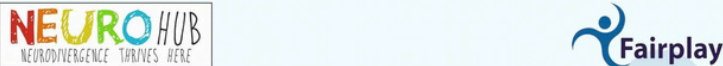

Places will need to be booked in advance!

On the 21st October we will be having an open session for families to come and have a look at the setting and to talk to staff to see if this group is right for their child/young person. We hope to see you there!

The Fairwood Pioneers Youth Group is primarily aimed more for the siblings of neurodivergent children/young people as well as those neurodivergent individuals who prefer more calm and quiet environments, aged 11-17 years.

The aim of these sessions is to help build friendships, have fun, develop skills as well as take part in trips and activities out in the community.

Please contact the team to discuss accessing these groups as places need to be booked in advance!

As well as running lots of family fun days, parent/carers support groups and sessions for children & young people to attend, we also have 1:1 appointments available so you can receive tailored advice and guidance for yourself and your family.

Please email the NeuroHub on neurohub@fair-play.co.uk if you would like to book a 1:1 appointment with our Advisor so we can arrange a time and date that suits you best. We appreciate there is a high demand for appointments but staff are always available at all of our family sessions to offer any advice and support too.
